

FIRST FLOOR CONTAINMENT LAYOUT

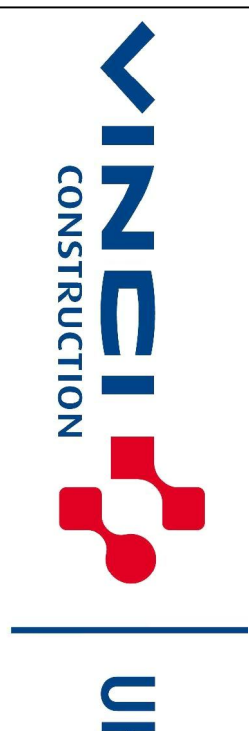

GROUND FLOOR CONTAINMENT LAYOUT

THIS DRAWING IS COPYRIGHT AND MAY NOT BE REPRODUCED OR MADE USE OF WITHOUT THE EXPRESS WRITTEN PERMISSION OF EMCOR ENGINEERING SERVICES LIMITED

- This drawing shall not be used as a working drawing. All scaled dimensions shall be verified on site.
- For architectural and structural details please refer to appropriate specialist drawings.
- Electrical containment has been designed to avoid clashes wherever possible with the ceiling and so that it sits 100mm above the ceiling tile within the void.
