

FIRST FLOOR LIGHTING & EMERGENCY LIGHTING LAYOUT

The diagram illustrates the layout of the first floor, including the following areas and lighting fixtures:

- Mess Room:** Located on the left side, featuring a large open area with tables and chairs. It contains two red circle with cross symbols (main lighting) and one red circle with a dot symbol (emergency lighting).
- Female WC/Shower:** Located on the right side, containing two red 'H' symbols (emergency lighting).
- Storage:** A central area containing one red circle with a cross symbol (main lighting).
- Male WC & Showers:** Located on the right side, containing two red 'H' symbols (emergency lighting).
- Staircase:** Located at the bottom right, containing one red circle with a dot symbol (emergency lighting).

The layout also shows various structural elements such as walls, doors, windows, and furniture like tables, chairs, and benches.

GROUND FLOOR LIGHTING & EMERGENCY
LIGHTING LAYOUT

The diagram illustrates the ground floor layout with the following features:

- Reception Area:** Includes a reception desk with a computer monitor and keyboard, and a person sitting at the desk. A blue dashed line indicates a path from the reception area towards the stairs.
- Dis WC (Disabled Toilet):** Located near the stairs.
- Stairs:** Labeled "UP" with a staircase icon.
- Lighting Fixtures:**
 - Two red circular symbols with a crosshair, likely representing emergency lights, are located in the reception area and near the entrance.
 - Blue rectangular symbols labeled "INT" (interior) are placed near the reception desk and near the entrance.
 - Blue circular symbols labeled "SC" (surface) are placed near the entrance.
 - Blue rectangular symbols labeled "ML" (medium) are placed near the entrance.
 - Blue rectangular symbols labeled "SF INT" (surface interior) are placed near the entrance.
 - Blue rectangular symbols labeled "AZ" (area) and "FBI" (fire) are placed near the stairs.
 - Blue rectangular symbols labeled "FRC" (fire), "SRC" (surface), and "SAP" (surface) are placed near the stairs.
 - Blue rectangular symbols labeled "FAP" (fire) are placed near the stairs.
